ACUTE BURN CARE
The First 24 Hours

Presented by
MASSACHUSETTS GENERAL HOSPITAL
Sumner Redstone Burn Center

ACUTE BURN CARE: The First 24 Hours is a three hour class that covers assessment, fluid resuscitation and specialized care for thermal, chemical, electrical and cold injuries. Referral guidelines and components of transport will also be reviewed. It is open to all practitioners: physicians, nurses, EMTs, and paramedics. Category 2 CMEs, contact hours, and OEMS hours have been applied for. Presented free of charge.
