

COURSE DESCRIPTION

Consistently recognized as a national leader in both clinical psychiatry and postgraduate teaching, Massachusetts General Hospital, a teaching affiliate of Harvard Medical School, presents its **twenty-seventh annual** comprehensive update and board preparation, offered annually since 1976. Constantly refined in response to the needs of over **10,000 course graduates**, our seasoned faculty blend their expert knowledge with a clear lecturing style and a detailed syllabus. **Fourteen hours of neurology review contribute to a total of 50 hours**, preparing those studying for the psychiatry board examination and updating practitioners to state-of-the-art standards.

50 Category 1 Credits.*

OBJECTIVES

Upon completion of this program, the participant will have an understanding of the following:

- Prepare those studying for the psychiatry board examination
- Update practitioners to state-of-the-art standards

Release date: September 1, 2003

Credits expire: September 1, 2006

Recorded at the live course, September 9 - 14, 2002

** CME credit is obtained upon successful completion of a self-assessment examination. Examination due by September 1, 2006.*
