

MGH and Affiliated Labs

You may have your blood tests done at MGH or any of the affiliated labs of MGH listed below. No appointments are necessary. Bring your blood work requisition(s) (physician orders), identification and insurance information each time you have your blood draws. The hours could change so please call the lab prior to your visit to confirm the lab's schedule.

Note: Lab results will be available to your MGH Primary Care Physician

*** MGH patients are required to have a medical record number from the affiliated institution.**
