

Hedwig van Ameringen  
**EXECUTIVE  
LEADERSHIP  
IN ACADEMIC  
MEDICINE**  
*Program for Women*

# 2005–2006 ELAM Program

APPLICATION FORMS AVAILABLE ONLINE STARTING 11/01/04 AT  
[www.drexel.edu/elam](http://www.drexel.edu/elam)

The *Hedwig van Ameringen Executive Leadership in Academic Medicine (ELAM) Program for Women* is now seeking applicants for its 2005–2006 class of 45 Fellows. ELAM offers extensive educational, career, and networking opportunities for senior women faculty in medicine and dentistry who aspire to significant positions of leadership within their academic health centers.

Candidates must be at associate professor rank or higher and have significant administrative responsibilities within their institution, with a strong potential for advancement. In addition to nomination from the Dean, candidates must submit recommendations from their direct supervisor and one other senior colleague. A full program brochure and application forms will be available at [www.drexel.edu/elam](http://www.drexel.edu/elam) beginning in early November.

ELAM's year-long program begins in April with acceptance into the program. Participants work on assignments over the summer and then attend three weeklong, residency sessions in the fall, winter, and spring. In between these sessions, participants work on projects at their home institutions. The ELAM curriculum mixes traditional business management subjects with topics pertinent to Academic Health Center (AHC) management and group and individual assignments aimed at enhancing personal and professional leadership. The spring session concludes with a 1½ -day Forum on Emerging Issues when Fellows, their Deans and invited guests explore with top experts a new approach or methodology pertinent to AHC leadership.

Residency Sessions Schedule (attendance at all three sessions required in full):

September 16–23, 2005	Session I, Bryn Mawr, PA
November 2–8, 2005	Session II, Washington, DC
April 21–27, 2006	Session III, Bryn Mawr, PA

**The Drexel University College of Medicine** is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. **AMA:** The Drexel University College of Medicine designates this educational activity for a maximum of 130 hours in Category 1 credit toward the AMA Physician's Recognition Award. **AOA:** This program is eligible for a maximum of 130 credit hours in Category 2A of the American Osteopathic Association. Each physician should claim only those hours of credit that he or she actually spent in the activity.

It is the policy of Drexel University College of Medicine to insure balance, independence, objectivity, and scientific rigor in all its sponsored educational programs. All faculty are required to disclose to the program audience the approved or investigational status of all generic drugs or products under discussion and any real or apparent conflict(s) of interest that may have a direct bearing on the subject matter of the program. This pertains to relationships with pharmaceutical companies, biomedical device manufacturers or other corporations whose products or services are related to the subject matter of the presentation topic. The intent of this policy is not to prevent faculty with a potential conflict of interest from making a presentation; it is intended that any conflict should be identified openly.

**The University of Kentucky College of Dentistry**, accredited by the American Dental Association, designates this educational activity for a maximum of 130 continuing education business credit hours in Category C/Provider No. 1216 from the Kentucky Board of Dentistry.

ELAM Fellows also are eligible to receive 6 hours of graduate course credit (separate tuition) for the MSHA (Executive) Program in the Department of Health Administration at Virginia Commonwealth University (Medical College of Virginia Campus).

APPLICATIONS FOR THE 2005–2006 CLASS ARE DUE FEBRUARY 1, 2005.
