We invite you to participate in this exciting workshop sponsored by the Office for Women's Careers

## Strong Women ---Strategic Performance

Leadership Training for Effective Communication,  
Negotiation, and Presentation

Many accomplished professional women feel less effective than they wish when leading or participating in discussions, meetings, or group negotiations. This workshop is designed to enhance women's abilities and confidence in such situations. It will teach participants techniques used in theatre and leadership programs to improve performance.

### PRESENTERS:

**Lee Warren**, Ph.D. Associate Director of the Derek Bok Center for Teaching and Learning at Harvard University

**Nancy Houfek**, M.F.A. Head of Voice & Speech at Harvard's American Repertory Theatre.

**Lee Warren and Nancy Houfek began their collaboration in 1997. Their common interest and expertise in performance, teaching, and leadership led to working as a team with Harvard faculty, the Committee on the Advancement of Women Chemists, Radcliffe Seminars, and other organizations nationwide.**
