Virtual Colonoscopy Two-Day Minicourse

Course Directors
Matthew A Barish, MD
Martina M Morrin, MD
Michael E Zalis, MD

DATES

January	30-31, 2005	Coral Gables, FL
March	14-15, 2005	San Diego, CA
March	17-18, 2005	San Diego, CA
May	16-17, 2005	Boston, MA

Virtual Colonoscopy is a new developing technique providing an alternative method of screening for colorectal cancer and precursor lesions (polyps). Since this is a new technology, few radiologists, technologists or gastroenterologists have experience in the understanding, performance, or interpretation of these studies. This two-day minicourse is intended to provide a means to educate radiologists, gastroenterologists, and technologists in the current state of the art in virtual colonography (CT colonography).

This two-day structured minicourse includes:

- Didactic lectures
- Demonstrations and tutorials on state-of-the-art workstations
- Review of cases from our pathology-proven database

COURSE OBJECTIVES

At the conclusion of this fellowship, participants will be able to:

- Describe the current state of the art of virtual colonoscopy
- Discuss the issues related to colorectal cancer screening and the impact of this new modality
- Acquire skills necessary to perform and interpret virtual colonoscopy
- Identify the advantages and disadvantages of the current available workstations, virtual colonoscopy software and preparation kits

FACULTY

Matthew A Barish, MD: Assistant Professor of Radiology; Harvard Medical School; Director, 3D and Imaging Processing Center, Brigham and Women's Hospital; Director, International Symposium on Virtual Colonoscopy, Boston, Massachusetts

Martina M Morrin, MD: Assistant Professor of Radiology, Harvard Medical School; Director CT Colonography, Beth Israel Deaconess Hospital, Boston, Massachusetts

Michael E Zalis, MD: Assistant Professor of Radiology, Harvard Medical School; Director CT Colonography, Massachusetts General Hospital, Boston, Massachusetts

SCHEDULE

Day One

8:30 Breakfast & Introduction
9:00 Overview of Virtual Colonoscopy
10:00 Workstation Introduction
10:30 Case Review
12:00 Lunch
1:00 Case Review
2:30 Virtual Colonoscopy Lecture
3:30 Case Review
5:00 Questions & Answers
5:30 Adjourn

Day Two

8:00 Breakfast
8:30 Case Review
10:00 Break
10:30 Review Morning Cases
12:00 Lunch
1:00 Case Review
2:30 Lecture Billing & Reporting
3:30 Case Review
5:00 Questions & Answers
5:30 Adjourn

ACCREDITATION

Harvard Medical School is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Harvard Medical School designates the Virtual Colonoscopy Minicourse course for a maximum of 15 category 1 credits toward the AMA Physician's Recognition Award. Each physician should claim only those credits that he/she actually spent in the educational activity.

The American Medical Association has determined that physicians not licensed in the US who participate in this CME activity are eligible for AMA PRA category 1 credit.

COURSE LOCATION

Please check available dates and locations by calling, 617-525-7330 or at
