## MASSACHUSETTS GENERAL HOSPITAL

By delivering the latest techniques and technology in patient care, and through research and global outreach, The Massachusetts General Hospital is dedicated to enabling its patients to live as long and as fully as possible.

MGH not only offers exceptional opportunities for fulfilling work; we are proud to offer our employees work/life benefits that will enable them to live their own lives to the fullest. Among our exceptional benefits are:

- Employer-Funded Retirement Plan • Job Sharing & Flexible Scheduling
- Tuition & Certification Assistance • Childcare & Emergency Back-Up Childcare
- Maternity, Paternity & Adoption Leave • Retiree Medical Plan • Pet Insurance

**Join us.** Our opportunities include all aspects of patient care, research and hospital operations. To see a complete list of our current opportunities and learn more about our benefits, please visit our website.
